

The widest product range in the industry

One-Stop Belt Shop

Ammeraal Beltech is a leading global company and a true One-Stop Belt Shop providing services and solutions to help process and convey an extraordinary range of products. Our success is based on our close cooperation with customers and the control we have over the full value chain – design, manufacturing, fabrication, sales and servicing.

You can find all the belting products and services you need from Ammeraal Beltech, saving you time and money on purchasing and logistics. However you're conveying or processing, we can offer you the right solutions.

The One-Stop Belt Shop can offer:

Synthetic Belts – a comprehensive range of process and conveyor belts

Elastomer Belts – the widest range of high-quality rubber covers

ZipLink® Belts – a handy solution to lost production time across all industrial sectors

Ultrasync Belts – synchronised conveying and positioning for high-speed and high-load capacity

Seamless Belts – seamless covers and profiles on endless woven fabric

Engineered Belts – custom or specialised belts (such as pull-down belts or feeder belts) made by adding a cover, usually machined, to a base belt; for a wide range of specific applications

Flat Belts – RAPPLON® high-performance belts for power transmission and high-speed conveying

Plastic Modular Belts – uni belt solutions, with both straight-running and side-flexing belts

Steel and Plastic Chains – diverse solutions for a wide range of conveying applications

Soliflex Belts – homogeneous positive-driven ultra-hygienic belts with self-tracking features

Solicord Belts – blue food-grade V & Round belts

UltraScreen Belts – mesh belts for use in food washing/drying applications

PTFE Belts – high-quality PTFE and silicone-coated belts for baking and cryogenic freezing applications

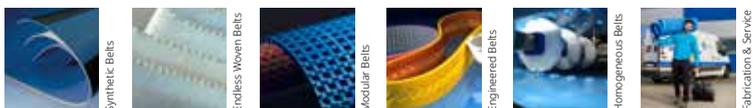

And, of course, one of the industry's most comprehensive networks for supply, onsite service and advice.

Experience – Our Dutch roots began in 1950 with the invention of a revolutionary baking belt; many of our subsidiary companies have been active in the belting industry for more than a century.

Scale – We are truly global – with 25,000 customers in more than 150 countries; 2,000 employees, seven manufacturing facilities, and 80 different service centres across 25 countries.

Reach – We provide solutions for nearly every important industrial sector, including Automotive and Tyre; Food; Textile; Tobacco; Printing and Paper; Wood and Timber; Aviation and Airports; Construction; Logistics and Distribution.

Expert advice and quality solutions for all your belting needs.
